

K-LOVE is my lifeline on a daily basis. It is positive and encouraging radio broadcasting and I know my children can listen without concern of what will be said or played. If K-LOVE was displaced by an LPFM broadcaster it would be to the detriment of Midland, TX. There is so much trash on the radio and K-LOVE is listened to by many teenagers as well as adults. Then our teens would only be able to listen to the popular trash. I believe that the service provided by K-LOVE is invaluable in our community and is in the public interest. Please do not make any changes that will cause Midland, Texas to lose K-LOVE. Thank you for your time.
